

What's Going On?? Part 2

Recently we looked at what's happening in Israel and the Middle East, in light of Bible prophecy, mostly told to the disciples by Jesus Himself (most in Matthew 24). For me, it is comforting to know that Jesus warned us what would happen so that we could be spiritually prepared and not panicky or upset.

In the news and opinion websites that I read regularly, there is no lack of analysis of the war in the Middle East, the thousands of people marching in support of Hamas murderers, or the way so many accept sheer lies, especially about Israel.

Virtually all of the articles I read seem to get it right, except for one BIG factor. Rarely do we hear or read WHY this is happening. Oh, yeah, these people who support Hamas and ignore its atrocities hate Israel, but WHY? Iran

and other Muslim nations want Israel literally wiped off the map, but WHY? Barak Obama hates the United States, western Judeo/Christian culture, Jews, and Christians, but WHY?

WHY is there a widening divide in western nations between those who support Israel and those who hate Israel, and do the majority of them even know why they hate like that? Do they know anything about the Bible, Israel and how it got back to their land, or any other historical perspective on all of this? Not likely.

When I saw this cartoon that was published in late October, I got all excited. Here was someone who understands WHY!!!! (Yes, I paid a small fee and got permission to print it, Kathryn.) This is the reason WHY all this is happening.

The devil himself, drawn like the death

angel, is behind all of the murder and destruction and atrocities taking place. He is running people like a puppet master, who themselves are puppet masters who are manipulating more people below them. And together the puppets are spreading those blatant lies and misinformation, and then agitating their own puppets into demonstrating in the streets by the thousands, creating chaos, burning buildings, stabbing and murdering people themselves!

These people hate God and anyone associated with Him, because they have allowed themselves to be manipulated by the Grand Puppet Master, the devil himself.

Thank you, Father, that many of us see this for what it is. Please open the eyes of those who don't see!
