

# What Really is Going On?

It's a war, that's what. It's a gigantic, heavy duty war at the highest level, and whether we like it or not, you and I are in the middle of it.

On the personal level, we are suspended between God's heaven (or pure love) and Satan's hell (or pure evil). Satan wants nothing more than to devour your soul and prevent you from taking God up on His offer of escape from evil and graduating to pure happiness with Him.

der, and chaos that is escalating at warp speed all around the world. I watch it happening via websites, YouTube, and reliable reporting, and I can't believe what I'm seeing. And then I ask questions.

Why does Iran hate Israel so much? Why do so many Muslims want Israel destroyed completely?

What happened in this country that made the Leftist-Communist-God-haters so prominent so fast? Why do the elitists of politics, Hollywood, "education", big business, etc. swallow the leftist line so wholly? How did we get so "blessed" to have a demented old man, a puppet of the Left, represent us

on the world stage, which is thoroughly embarrassing?

Why have so many colleges erupted in violent protest in favor of the murderous liars of Hamas, and how is it that so much of the world falls for their lies? How is it that some of the Muslim world (Saudi Arabia, Jordan, UAE) has the common sense to reject the Iran-Hamas-Hezbollah-(and more) alliance that is hell-bent (literally)

to destroy Israel? There are many more such questions, but only one answer: these troubles are the manifestations in our world of the real battle happening in the spirit world between Satan's people and God's angels. Unfortunately Satan has a strong grip on this world, but he knows his time is short, so he's fighting anything and everything of God's, which includes Israel and the Jews, and also you and me, if we have so chosen.

Just remember, Satan loses. You're going to have to make a decision, and likely soon.

*"Finally, be strong in the Lord and in the strength of his might. Put on the whole armor of God, that you may be able to stand against the schemes of the devil. For we do not wrestle against flesh and blood, but against the rulers, against the authorities, against the cosmic powers over this present darkness, against the spiritual forces of evil in the heavenly places. Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand firm."* (Ephesians 6: 10-13)

*Linda Gammel*

God wants nothing more than your surrender to Him, acceptance of His offer, and an eternity of Peace and Happiness in His kingdom.

We are caught in the middle, with a decision to make.

God, through His Son Jesus the Christ, is battling for supremacy, with only one outcome possible. God wins. Satan loses.

At a higher level, we are seeing this battle play out in the war, violence, mur-
