

The Babylon Bee

Yes!, I did it again! I chose to let a couple of my favorite websites (Patriot Post and Babylon Bee) speak for me. Patriot Post's memes below (sorta cartoons but not cartoons) are mostly humorous and speak important truths clearly and concisely, giving the reader a laugh, or not.

Take for instance the one that says "my body functions at its highest level when I am eating fresh in-season produce". Is that not true? Don't you follow doctor's orders to eat more fresh produce by going to the market to buy some? Pumpkins and corn! Nothing could be healthier!

The other memes are somewhat humorous, but the sober truth they convey speaks loudly and clearly. "Your water on capitalism . . . [vs.] . . . on socialism" is ominous as we let thousands of Venezuelans into our country via open borders. We don't know who of them are good guys and who are bad guys. But they will tend to vote Democrat, which is a huge negative, as we watch the Democrat Party turn into the Demon-crat party. If they retain power through these illegal votes of non-citizens, we will continue downhill faster and faster than we are currently, under Obama-Biden-Harris regime.

I love the quote from Ronald Reagan: "We are never defeated unless we give up on God." President Reagan was never considered to be a "spiritual giant" like a Billy Graham or any of the other famous pastors and churchmen. But to his great credit, and for our nation's good, he had a genuine faith in God that guided him to stand strong, courageously resisting those who tried to change his courses of action.

For instance, when Reagan gave his famous speech in Berlin at the Brandenburg Gate and the infamous Berlin Wall separating communist East Berlin from free West Berlin, he was told by his State Department advisors not to directly challenge Mikhail Gorbachev, General Secretary of the Soviet Union (Russia). He defied their demand when he boldly spoke the words, "Mr. Gorbachev, tear down this wall!" Reagan's courage and steadfastness can arguably be credited with beginning the breakup of the Soviet Union that took place under George H.W. Bush.

The short article from The Babylon Bee is very funny to me and to others. It is a perfect example of their righteous satire. I looked up the word "satire": A literary work in which human foolishness or vice is attacked through irony, derision, or wit." This short article is doing precisely that in response to Kama-Lama Ding Dong's (see memes in 9/26 commentary) ridiculous "word salads".

What is a word salad? I looked it up, also. Merriam-Webster.com dictionary says, "A term for disorganized speech or writing that lacks meaning or coherence . . . a way of ex-

pressing confusion or nonsense." Yes, such is much of the speech of Kamala Harris, so the Babylon Bee mimics her speech in a fictitious Bible version.

Lest anyone imagine that this mocks the Bible, please know that it only mocks Ms. Harris, not the Bible. It is too delicious and funny to pass up sharing with you. And I am one who knows that God has a sense of humor, too, as evidenced by creating us humans, His image-bearers, with a sense of the ridiculous and the ability to laugh! Thank you for that, Father!

Shout For Joy! Here Are The Top 10 Verses From The New Kamala Harris Bible Translation

September 23, 2024 · BabylonBee.com

Nav Press, Inc., publisher of The Message, announced The Kamala Harris Version of the Holy Bible. It features text lovingly translated by linguists from Indian to Jamaican, back to Indian, then into English, and then into Kamala's version of English. This is the most diverse and equitable Bible yet!

- Here's a sneak peek at some inspiring verses from an advance copy:
- Psalm 55:22 — Cast your burden on the Lord, and you will be unburdened by what has been.
 - Mark 4:39 — And he awoke and rebuked the wind and said to the sea, "Excuse me, I'm speaking!" And the wind ceased, and there was a great calm.
 - John 3:16 — For God so loved the world, and love is love. And when you think about it, love is when you love something. We all should love something. Or, sometimes, we can love many things. Sometimes love can be big, and sometimes love can be little. There is so much love in love, and when you love, and love love, the love you feel will make you love.
 - Matthew 18:17 — "And if he refuses to listen to them, tell it to the IRS; and if he refuses to listen even to the IRS, let him be to you as a Republican and a Trump supporter."
 - Acts 2:6 — And at this sound the multitude came together, and they were bewildered, because each one was hearing them speak in their own accent.
 - Acts 16:30-31 — 30 [The jailer] said, "Sirs, what must I do to be saved?" 31 They said, "I was born into a middle-class family."
 - Romans 6:23 — For the wages of sin is death, which shall be taxed at the same rate as unrealized capital gains.
 - Romans 13:1 — For all authority comes from Obama, and those in positions of authority have been placed there by Him.
 - Galatians 5:1 — It is for fweedom Christ has set us fwee.
 - 2 Timothy 4:13 — When you come, bring a coffee cup. But not the one with the white lid because my lipstick gets all over it. Can we do something about the lid?
- Wow! This is sure to prick your heart. We did it, Joe!
