

ON THE LIGHTER SIDE OF SERIOUS STUFF

OK, I'm doing it again. I'm running these memes rather than boring you with strings of words. I often think that these memes say important things with so few words. This group contains some of the best I've seen in a while.

IF YOU ASKED ME TO DEFINE HUMAN STUPIDITY IN JUST ONE IMAGE:

PATRIOTPOST.US: THE BEST HUMOR, MEMES, & CARTOONS

Ummm, what part of banana peel don't you understand?

VENEZUELA BEFORE & AFTER SOCIALISM

THIS ONLY TOOK ONE GENERATION

PATRIOTPOST.US: OBJECTIVE AND UNCENSORED ANALYSIS

What part of socialism don't we understand? If we are not teaching history to our kids, it's on us if they have a romanticized but totally erroneous image of socialism. They need to know that the Nazis and Josef Stalin were socialists, responsible for the murder of millions upon millions of their citizens. These two are the poster boys for the ultimate outcome of what's pictured below.

IF YOU WANT TO UNDERSTAND HOW TO FIX A PROBLEM IN THE WORLD, YOU HAVE TO ASK WHO IS PROFITING FROM THE PROBLEM. NOT WHO IS SUFFERING FROM IT.

PATRIOTPOST.US: ANALYSIS FROM OUTSIDE THE BELTWAY

In California, the finger points at Gavin Newsom and the radical left running the state legislature, San Francisco, and Los Angeles. They profit by tightening their hold on political power and on the purse strings with all kinds of ways to siphon off money to their friends and ultimately to themselves. Many of them are the puppets of that evil guy Soros.

PATRIOTPOST.US: THE BEST HUMOR, MEMES, & CARTOONS

Ok, now, honey, take your vitamins. . .

Calif. high speed rail is coming along nicely.

PATRIOTPOST.US: THE BEST HUMOR, MEMES, & CARTOONS

Yeah, you'll get to the Bay Area in about three months on this train.

Whoever said "YOU CAN'T MAKE THIS STUFF UP!" obviously never worked for CNN, MSNBC, ABC, CBS, NBC, NPR or The Washington Post

PATRIOTPOST.US: THE BEST HUMOR, MEMES, & CARTOONS

There are a few others we could add to that list, like the L.A. Times, New York Times, and just about any of the news wires like Associated Press. Gannett, that owns the Victorville Daily Press, is solidly in that group of the woke Left, so beware of the slant of their headlines and "news" stories. I had my own personal encounter with their censorship when they first took over the paper.

DEMOCRATS THEN

DEMOCRATS NOW

PATRIOTPOST.US: THE BEST HUMOR, MEMES, & CARTOONS

What is it that these people are so ashamed of, that they can't or won't show their faces? Is it because they know that their activities and beliefs are out of sync with most Americans and dead wrong by God's Spirit? The Left wants people to be anonymous objects. The conservative Right values individuals for who they are and want them to grow in responsibility and productivity.

OBAMA NEGOTIATING WITH IRAN

TRUMP NEGOTIATING WITH IRAN

PATRIOTPOST.US: THE BEST HUMOR, MEMES, & CARTOONS

Thank God for the difference! No one says this, but personally I think Obama is another Soros puppet, without an ounce of love or respect for the American nation or its traditions. And in case you didn't know it already, he actually did send Iran pallets of cash, paid for by you and me! I'd far rather pay for those B-2's and their payload.

THE DEMOCRATS' PUPPETEER

PATRIOTPOST.US: ANALYSIS FROM OUTSIDE THE BELTWAY

In case you don't recognize him, this is George Soros, who himself must be the child of the devil himself. This man has done more damage to this country than any other individual I can think of. He must have nine lives! As a young teenager at the end of the Second World War, he betrayed his own Jewish people and assisted the Nazis in their genocidal efforts. Unfortunately he turned his focus to our country, and now has sons to carry out his evil legacy.

"Iran's 'Islamic Bomb' program just changed its pronouns to 'was/were' after a mostly peaceful B-2 airshow, and Khamenei is now unburdened by what has been."

MARK ALEXANDER

PATRIOTPOST.US: ANALYSIS FROM OUTSIDE THE BELTWAY

Believe it or not, I really hate to see all of the violence and bloodshed in Iran, although thankfully not too many of the deaths were innocent civilians but military and political guys dedicated to the evil of wiping out Israel and the United States. Maybe they, too are puppets of that Soros guy. That said, this meme is one of the funniest things I saw today. Mocking the baloney of the Left is a worthy pursuit.
